

# Internet Usage

Dear Parent or Guardian:

Your student will be able to access the Internet at school as part of their class instruction unless you sign the form at the bottom of this page . Below are the rules for use at the school.

## Internet Rules

### STUDENTS MAY NOT USE THE INTERNET WITHOUT THE PRESENCE OF AN ADULT

As outlined in Board policy and procedures on student rights and responsibilities, the following will not be permitted:

- Creating, sending or displaying offensive messages or pictures
- Using obscene language
- Harassing, insulting or attacking others
- Damaging computers, computer systems or computer networks
- Violating copyright laws
- Using another's password
- Trespassing in another's folders, work or files
- Intentionally wasting limited resources, i.e. paper, ink, etc.
- Employing the network for commercial purposes
- Any use of the network infringing on the rights of others
- E-mailing and chat rooms on school computers

Violations may result in a loss of access as well as other disciplinary or legal action.

If you have no objections, thank you for taking the time to read the information above.

---

\_\_\_\_\_ Student Name (please print)

After reading the information, I have decided that the student listed above **should not** be given access to the internet in the ACGC School system. Students will still have access to computers, but will not be allowed to access online materials.
