There are plenty of kids in the area that have not been out for any summer recreation program.

It is a great time to connect outside of the classroom setting. Tell your friends!

As your Summer Recreation Coordinators, we are excited to be able to offer GaGa Ball with a twist.

We are lining up several donations for prizes to be given for a wide variety of twists.

Due to the range in age and amount of participants it is very informal. It is very relaxed.

See you this summer,

Lori Pankratz & Samantha Anderson

All activities are open to all students of the surrounding Grove City Area, especially to those of the ACGC School District.

On a very personal note, I (Lori Pankratz) will be doing the 1st 4 weeks of GaGa Ball. Samantha will be doing the last 2 weeks. I have stage 4 colon cancer and am undergoing chemo treatments right now and will be done before the first day of activities. Due to the surgery in July, I need to be as healthy as possible. **PLEASE** keep your child home from activities if they are sick in any way. It would be a huge setback if I would have to fight off anything as my system will be pretty weak. This is also why we have opted to go with just GAGA Ball this year. Last season the kids voted they would like to give this a try so they got their wish. Next year I should be a brand new person in good health and we will offer all our normal activities again.

THANK YOU,
Lori Pankratz
